4. Other Business:

A. Shuttle Enhancement Design & Public Safety Projects: Out to bid, will open at Town Office when ready.

B. Walking Path Master Plan: Jones and DeMille added sidewalks to the walking path plan on the west side of main street. It should be getting close to being finalized. Our next step is to decide how we proceed with the plan, most likely breaking it into phases

C. Rental Agreement on Shuttle Ticket Booth to Ruby's Inn- Follow Up: The shack was built on a foundation and is not mobile. The building has been connected to their power meter since it was built. Red Canyon Transit owns the internet and infrastructure for that. The council was okay with selling it. Shiloh and Jean will contact our attorney on how to proceed if we decide to sell it. The Bryce Canyon Association donated money for it, so we will contact them about any concerns they might have.

D. Bantam Booster donation- Luciene Syrett approached the council about donating to support the Bryce Valley Booster Club. They support the younger kids in sports. They host tournaments for the bantam teams. Most of their money comes from fees, but they are hosting more than usual and are seeking a \$1,000 donation. It was not on the agenda, so it will be voted on in our next meeting.

E. TV donation: With the purchase of the Hudl camera at the high school, they would like a small TV to put in their snack bar to allow those donating their time to watch the game there. Before this, it was hard-wired. The new camera only streams the games. We will vote on this in our next meeting. The cost was just below \$150.

Luciene Syrett left the meeting
